These Baths stand on what was formerly part of the grounds of the celebrated Northumberland House. They occupied nearly three years in building, and involved an expenditure of £30,000. They comprise a large suite of Bath Rooms, having a floor space of about twelve thousand feet, with a smaller suite in a separate but adjacent building for the exclusive use of Ladies; the Cooling Rooms, which are fitted in a most luxurious manner, are surmounted by a lofty dome specially designed to permit free circulation of air, and to ensure perfect ventilation; while the heating and ventilation of the hot chambers have been brought to a state of perfection by a system first introduced by the Proprietors of these Baths, and the whole of the decorations of both Hot and Cooling Rooms have been designed by the most eminent authorities.

## REGULATIONS FOR HIS MAJESTY'S DIPLOMATIC SERVICE.

*Admission to Diplomatic Service and Foreign Office.*

1. Admission to the Diplomatic Service and the Foreign Office is by open competition. The examination is the same as that for Class I of the (general) Civil Service, with special arrangements to ensure a thorough knowledge of French and German and some other modern language. Candidates desiring to be appointed to the combined Service will first be required to appear before a Board of Selection, appointed by the Secretary of State, which will decide whether they possess suitable qualifications for entry into the Foreign Office and Diplomatic Service. No assurance as to the possession of private means will be required of candidates. All members of the combined Service will be liable for service abroad.

*Period of Service of Third Secretaries.*

2. Commissions will be granted to Third Secretaries in the Diplomatic Service or Foreign Office on the receipt of the certificate granted by the Civil Service Commissioners, and their services will be considered as probationary for two years from the date of the Commission, during which period they must have been employed in the Foreign Office, or have actually resided at one of His Majesty's Embassies or Missions abroad, for such a time as in the aggregate will make up the requisite period, exclusive of any leave of absence. The time, however, necessarily employed in journeys to and from their posts will be allowed to count towards the completion of the required term. If these conditions as to employment and residence have not been fulfilled at the expiration of two years from the date of the certificate of the Civil Service Commissioners, the probationary period will be prolonged until they have been fulfilled.

At the conclusion of the probationary period the services of a Third Secretary will not be retained unless his official superiors certify that he is suitable for permanent employment.

All Third Secretaries, after completing five years' service in that rank, including the probationary period, will, if recommended by their official superiors, be eligible for Commissions as Second Secretaries wherever they may be employed. This promotion will give them no claim to outfit allowances, or to any special rate of remuneration.

Promotion to the rank of First Secretary will depend on the occurrence of vacancies in the authorised numbers in that grade, and on the suitability for promotion of the officer concerned.

Promotion to the rank of Counsellor will, in addition to the above consideration, also depend on the suitability of the officer for the particular Counsellors' posts which may be vacant.

*Interchange of Employment between Secretaries at Home and Abroad.*

3. Members of the staff at the Foreign Office other than Second and Third Secretaries will, on transfer

abroad, enter the scale of their grade abroad at their substantive salaries or at the minimum of the scale, whichever is greater, but the substantive salaries of Second and Third Secretaries will be increased by £100 a year on appointment abroad. Members of the staff abroad will, on transfer to the Foreign Office, retain their own substantive salaries, plus such an amount in lieu of bonus as will place their salaries on a level with the emoluments of officers of the same seniority serving in the Foreign Office, excluding any special allowances drawn by the latter. In those cases in which the substantive salary is more than the combined salary and bonus of an officer of the same seniority serving in the Foreign Office, the officer transferred will continue to receive his substantive salary only.

On attaining promotion to the rank of First Secretary, members of the combined Service will be allocated to separate lists, according to their suitability for home or foreign employment, but members of the Service may be called upon at any stage in their career to exchange home for foreign employment, or *vice versa*.

*Salaries and Allowances.*

4. The personal salaries of members of the Diplomatic Service serving at home and abroad respectively are fixed on the following basis:—

—	At Home.	Abroad.
	£ a Year.	£ a Year.
Second and Third Secretaries ..	200-20-240-25-500	300-20-340-25-600
First Secretaries ..	700-25-900	800-25-1000
Counsellors ..	1000-50-1200	1200-50-1500
Ministers ..	—	2000
Assistant Under Secretaries of State ..	2200 inclusive 1200-100-1500	— —
Ambassadors Permanent Under Secretary of State ..	— 3000 inclusive	2500 —

Officers serving at home receive at present, in addition, a bonus varying with the cost of living on the same basis as other officers in the home Civil Service, and those serving abroad receive non-pensionable *Foreign Allowances*, to include entertainment and representation allowance, varying in amount according to the necessities of individual posts.

They are also provided with adequate houses or apartments, or with *rent allowances* sufficient in the opinion of the Heads of the Missions in which they are serving and of the Secretary of State to provide suitable accommodation. Rent allowances must be actually expended and are not pensionable.

If an officer, on transfer to another post, can show that he has been unable to dispose of the lease of his house, he will be allowed to claim rent allowance within the authorised limits for a period not exceeding three months from the date of his departure.

Rent and foreign allowances are not subject to Income Tax or Super-tax.

*Salaries Payable on Appointment, Transfer, or Retirement.*

5.—(a) Heads of Missions will, on retirement from the service, or on transfer from one post to another, receive during the period of leave of absence due to them in this country their personal salary in full.

(b) On the expiration of this period of earned leave of absence Heads of Missions may receive, unless they are due for retirement, in which case they will receive the diplomatic pension for which they may be eligible, an allowance of one-half of their personal salary until such time as they are appointed to another post, subject to a maximum limit of six months, after which the position will be reviewed.

(c) Successors to Heads of Missions will continue to receive their existing personal salary for so long as their predecessors continue to draw full pay, after which date they will be paid the salary of the post, e.g., a Counsellor promoted to the rank of Minister will not draw Minister's salary until the date of expiry of the retiring Minister's earned leave of absence.

*Payments to Heads of Missions while on Leave and Allowances to Chargé d'Affaires.*

6. Provided that the expenses of the upkeep of the Mission are defrayed by Heads of Missions during their absence on public service or on regulation leave, including the time occupied on the journeys from and to their posts in connection with such leave, no deduction will be made from their emoluments and no allowance will be made to the Chargé d'Affaires during this period. In the case of Heads of Missions who are transferred to other posts, or whose Missions have terminated, the allowance for "frais de représentation" ceases on their departure from their posts. On the expiry of their regulation leave Heads of Missions will be placed on half salary for a period not exceeding six months, and a deduction will be made from their allowances for "frais de représentation" sufficient to provide an allowance for the Chargé d'Affaires calculated on the basis shown in the schedule appended hereto. It will rest with the Secretary of State to decide in each individual case whether, and, if so, to what extent, the expenses which continue to fall on the Head of the Mission justify the continuance of the allowance for "frais de représentation" without further deduction:—

*Special Allowance of £100 a Year for Languages.*

7. Any Counsellor, or Secretary, who shall be reported by the Head of the Mission in which he is employed to have passed an examination in and to possess a competent knowledge, colloquial or otherwise, for ordinary purposes, of the Russian, Turkish, Persian, Arabic, Japanese, Chinese, Amharic, Polish, Czech, Finnish, Serb, Roumanian, Hungarian, Bulgarian, or Modern Greek language, while serving in any country where such language is vernacular, shall receive a special allowance of £100 a year, on the conditions laid down in Foreign Office Circular of the 17th September, 1921.

*Leave of Absence.*

8. All members of the Diplomatic Service serving abroad are eligible for sixty days' ordinary leave in each year. This leave may be taken either consecutively or at intervals in the course of one year beginning on the 1st January and ending on the 31st December. Those who remain uninterruptedly at their posts during the year preceding that in which leave is applied for may accumulate their leave up to 120 days. Officers serving in Central and South America, the Far East and Persia who remain at their posts during the two years preceding that in which leave is applied for may accumulate their leave up to 180 days, subject to the approval of the Secretary of State. The time required for the journey both ways will not in either case be reckoned as leave, provided that the direct route be chosen and due expedition used. The

\* In these cases the Chargé d'Affaires receives an allowance calculated at the rate of one-fourth of the Minister's salary, i.e., 500*l.* a year.

grant of leave is in all cases subject to the exigencies of the public service.

Heads of Missions should understand that leave of absence will, as a rule, only be granted to them when the Counsellor of Embassy, or where there is no Counsellor, the Senior Secretary, is at his post, or, if absent, is prepared to return and assume the position of *Chargé d'Affaires*. In applying for leave Heads of Missions should state whom they propose to leave in charge during their absence.

In the case of sick leave, medically certified to the satisfaction of the Secretary of State, officers below the rank of Head of Mission may receive, for a period not exceeding six months, their substantive salaries plus an allowance sufficient to bring their emoluments up to the total received by an officer of the same seniority serving in the Foreign Office, excluding any special allowances drawn by the latter. On the expiry of six months, officers may receive one-half of these emoluments for a further period not exceeding six months. Their foreign allowances will cease during these periods. Periods spent on sick leave will not count for additional ordinary leave.

#### *Outfit Allowances.*

9. On first appointment abroad, Counsellors, First, Second, or Third Secretaries will receive an allowance not exceeding £100 for the purchase of a diplomatic uniform.

On promotion to the rank of Counsellor abroad officers will receive an allowance of £100 towards the cost of china, glass, and plate.

On first appointment Heads of Missions will receive the following allowances towards the cost of linen, blankets, china, glass, and plate, viz. :—

	£
Ambassadors .. .. .	600
Ambassadors appointed from outside the Diplomatic Service .. .. .	800
Ministers .. .. .	300
Ministers appointed from the Foreign Office	400

On transfer Ambassadors and Ministers will receive a further allowance of £100 on this account. An allowance of £100 for uniform will be made on appointment to Heads of Missions who have received no previous allowance for this purpose in a lower rank.

An additional allowance not exceeding £40 will be granted to Ministers, Counsellors, and Secretaries on first appointment to posts where abnormal climatic conditions prevail.

#### *Motor Cars for Heads of Missions.*

10. The initial cost of motor cars for the use of Heads of Missions abroad will in future be borne by public funds, all subsequent expenditure on maintenance and repair being borne by the Head of Mission concerned. The motor cars must be standard cars of moderate horse-power, and the purchase in each case must be approved by the Foreign Office beforehand. Such cars will remain the property of His Majesty's Government, and in the case of a change of Head of Mission the car will be taken over by the incoming Ambassador or Minister.

One-half of the cost of the insurance premium on Government-owned cars will be paid from public funds, subject to a maximum annual charge to public funds of £12.

#### *Travelling Expenses.*

11. Heads of Missions, Counsellors, and First, Second, and Third Secretaries will, on their first appointment, or on any subsequent removal for promotion or other public reason, be allowed their travelling expenses in accordance with the conditions laid down in the regulations dated the 1st April, 1922.

No allowance will be made to members of the Diplomatic Service in respect of journeys undertaken in pursuance of leave of absence or for any other private reason.

#### *Period of Service in the same Embassy or Mission.*

12. Secretaries as a general rule will not be employed for more than three years in the same Embassy or Mission, exclusive of the periods during which they may have been absent on leave. But the Secretary of State reserves to himself full power to extend the term in every case in which he judges that there are special public reasons for so doing.

#### *Officers who are placed "en disponibilité."*

13. Members of the Diplomatic Service may be placed *en disponibilité* for a period not exceeding one year on the production of a medical certificate to the satisfaction of the Secretary of State, or for such reason as the Secretary of State may consider sufficient. This period may be extended for a further term of one year, at the expiry of which the officer concerned will have to return to duty provided there is a vacancy available for the purpose. In cases of ill-health a medical certificate will be required which shall satisfy the Secretary of State that the member of the Service is fit to resume his duties without the prospect of their further interruption. If he is unable to produce such a certificate, he will have to retire from the Service.

#### *Members of the Diplomatic Service to go to any Posts to which they may be Appointed.*

14. It must be distinctly understood that all the members of the Diplomatic Service are expected to take their turn in whatever part of the world their services may be required, and that every Counsellor or Secretary, whether married or unmarried, must be prepared to go to the post at which the requirements of the Public Service demand his presence, and to which he may be appointed.

#### *Carriage of Despatches.*

15. In the case of any journey of which the expense is to be allowed, all Counsellors and Secretaries will be bound to take charge of despatches, if required; and in that case they will be expected to perform the journey without interruption on the road.

#### *Promotion and Appointments to High Diplomatic Posts.*

16. The Secretary of State reserves to himself the power to recommend to the King the name of any person, even though not in the Diplomatic Service, for the higher and more responsible posts in it; and generally, in regard to all promotions whatever in the Diplomatic Service, the Secretary of State will not be restricted by claims founded on seniority, or membership of the profession, from making any such selection as on his own responsibility he may deem right.

*Duration of Appointments of Heads of Missions.*

17. The duration of the appointments of Heads of Missions at foreign Courts, exclusive of regulation leave or absence on public service, shall not exceed, though it may be less than five years. At the expiration of five years, the question of an extension of the appointment for a specified term, not exceeding five years, of transfer to another Mission, or of retirement, will be considered by the Secretary of State. An appointment may be renewed more than once, if this appears to the Secretary of State to be desirable on public grounds. Heads of Missions on attaining the age of seventy years, shall be retired on the pension for which their services may qualify them.

*Rules as to Pensions below the Third Class.*

18. In virtue of His Majesty's Commissions, the service of Counsellors or Secretaries will count for their pensions under the Act of 32 and 33 Vict., cap. 43, from the date of the issue of their first Commission; but the amount of pension to be assigned to them will be calculated, so long as they remain Counsellors or Secretaries, for each year of actual service that has elapsed since the date of their first Commission, at one-thirtieth part of the last salary of which they were in receipt at the time of the pension being granted, subject to a maximum of £700 per annum, provided that no pension shall continue to be issued to a person not incapacitated by ill-health, medically certified to the satisfaction of the Secretary of State, who may decline active service before he has reached the sixtieth year of his age, after which age no person shall be required to serve as Counsellor or Secretary.

*Allowances during War or Interruption of Relations.*

19. Should an Ambassador, Minister, Counsellor, or Secretary, of whatever class, by reason of war or other interruption of diplomatic relations, be withdrawn from active service before his services shall have qualified him for a diplomatic pension of the class under which he would otherwise come, the Secretary of State will, as he may see fit, recommend that a temporary allowance should be assigned to any such person who cannot otherwise be immediately employed, calculated on the rate of pension which he would have earned if he had continued to reside in such capacity, regard being had to the length and general character of his services; such allowance, however, to be strictly subject to the condition in regard to employ-

ment specified in the XIth Section of the Act of 32nd and 33rd Vict., cap. 43, and to cease from the date of the ratification of a treaty of peace or the renewal of diplomatic relations.

*Obligation of Secrecy.*

20. Members of the Diplomatic Service must not, without the express permission of the Secretary of State, publish observations on, or accounts of, their experiences in the countries in which they are, or have been, officially employed, nor any information obtained by them in their official capacity. The obligation of secrecy in regard to official experiences and information continues equally after their retirement from active service, and in the event of its being disregarded the Secretary of State will consider himself justified in bringing the circumstances to the notice of Parliament when the estimate providing for the officer's pension is before the House of Commons. The disclosure of information acquired in an official capacity, when such disclosure is contrary to the public interest, is, moreover, punishable under "The Official Secrets Act, 1911," by fine and imprisonment.

*Addresses of Members of the Diplomatic Service.*

21. All applications for leave of absence should be accompanied by an address at which letters will reach the applicant while on leave. Any change of address during the period of leave should be notified in writing to the Under-Secretary of State. Members of the Diplomatic Service, if spending their leave in England, should similarly give notice of the time of their intended departure for their posts. The addresses and other records will be kept by the Registrar.

*Candidates for Seats in House of Commons to resign Office.*

22. Any officer seeking a seat in the House of Commons shall resign his office so soon as he issues his address to the electors, or in any other manner publicly announces himself as a candidate.

*Management of Societies, Companies, &c.*

23. No Officer shall be allowed to accept any part in the management of any society, or any trading, commercial, industrial or financial firm or company except by the special permission of the Secretary of State.

# FLAGS.

## FLAGS TO BE USED BY DIPLOMATIC AND CONSULAR OFFICERS.

The usual size is as follows :—

For use on shore	... ..	8 breadths, i.e., 12 feet by 6 feet.
For use on shore when specially ordered	... ..	{ 4 breadths, i.e., 6 feet by 3 feet.
		{ 12 breadths, i.e., 18 feet by 9 feet.
For use on boats	... ..	3 breadths, i.e., 4 feet 6 inches by 2 feet 3 inches.
For use on board ship	... ..	8 breadths, i.e., 12 feet by 6 feet.

The flag to be used by His Majesty's Diplomatic Servants, Ministers Plenipotentiary, Chargés d'Affaires, &c., whether on shore or embarked in boats or other vessels, is the Union, with the Royal Arms in the centre thereof, on a white shield, surrounded by a green garland.

The flag to be used by His Majesty's Consular Officers ashore, to distinguish their residences, is the Union, with the Tudor Crown in the centre thereof, on a white shield.

The flag to be used by His Majesty's Consular Officers, when embarked in boats or other vessels, is the Blue Ensign, with the Royal Arms in the centre of the fly thereof—that is, in the centre of that part between the Union and the end of the flag. The Consular Blue Ensign, being a personal distinguishing flag, must be flown at the bow, and not at the stern, which is the accepted position for the national colours. No further flag is necessary, but if for some special reason it is desired to fly a flag at the stern, this should be the Red Ensign.

The distinguishing Flags to be used by Diplomatic and Consular Officers when afloat were approved by Order in Council of August 7, 1869—see below.

## ORDER IN COUNCIL, RESPECTING UNION JACKS AND OTHER FLAGS DISPLAYED BY BRITISH DIPLOMATIC, CONSULAR, AND OTHER AUTHORITIES. AUGUST 7 1869.

WHEREAS there was this day read at the Board a memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st July, 1869, in the words following, viz.:—

"The Union Jack having been established by your Majesty's Regulations for the Naval Service as the distinguishing flag to be borne by the Admiral of the Fleet; and whereas great inconvenience has at times been experienced by the Union Jack having been carried in boats and other vessels by Governors of Colonies, Military Authorities, Diplomatic Officers, and Consular Agents, when embarked, we have deemed it expedient to place ourselves in communication on this subject with the Commander-in-Chief of your Majesty's Forces and the Principal Secretaries of State for Foreign Affairs, for the Colonies and for War, and with their concurrence we most humbly submit that your Majesty may be graciously pleased by your Order in Council to prescribe and direct that in future the Union Jack to be displayed by the military branch of your Majesty's Service on such occasions shall bear in the centre thereof, as a distinguishing mark, the Royal initial, surrounded by a garland on a blue shield, and surmounted by the Crown; that the Union Jack to be used by your Majesty's diplomatic servants, Ministers Plenipotentiary, Chargés d'Affaires, &c., shall bear the Royal Arms in the centre thereof, on a white shield; whilst Consuls and Consular Agents, &c., shall be limited to the use of the blue ensign, with the Royal Arms in the fly thereof; we further submit that Governors of your Majesty's dominions in foreign parts, and Governors of all ranks and denominations administering the Governments of British colonies and dependencies, be authorized to fly the Union Jack, with the arms or badge of the colony emblazoned in the centre thereof.

"A drawing of the Union Jack, with the proposed distinguishing devices, is transmitted herewith for your Majesty's approval."

Her Majesty, having taken the said memorial into consideration, was pleased, by and with the advice of her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty, the Right Honourable the Earl of Clarendon, the Right Honourable the Earl Granville, the Most Noble the Duke of Argyll, and the Right Honourable Edward Cardwell, are to give the necessary directions herein accordingly.

# OUTFITS—PASSAGE ALLOWANCES.

## OUTFITS (*Consular*).—Ch. VI. § 6 of *General Consular Instructions*.

(For *Diplomatic Outfit* see page 118.)

Outfit allowances are granted on the following scale:—

- (a.) On 1st appointment,  $\frac{1}{4}$ th of annual salary and local allowance.
- (b.) On transfer, with promotion in rank,  $\frac{1}{4}$ th of annual salary and local allowance.
- (c.) On transfer, without promotion in rank,  $\frac{1}{4}$ th of annual salary and local allowance.
- (d.) On promotion in rank, without transfer,  $\frac{1}{4}$ th of annual salary and local allowance.
- (e.) On first appointment in the Consular service at a place where officer already resides,  $\frac{1}{4}$ th of annual salary only.
- (f.) On appointment to a newly-established post an additional allowance of  $\frac{1}{4}$ th of annual salary only.

Promotion in rank is promotion to the rank of *Consul-General*, *Consul*, or *Judge*, and does not comprise transfers to higher grades or to posts with larger salaries without higher rank.

The 5*l.* unit is adopted in the calculation of the total outfit allowance. When the fraction does not amount to

so much as 2*l.* 10*s.*, it is abated from the allowance; and when it amounts to 2*l.* 10*s.*, or more, it is reckoned as 5*l.*, and so included in the allowance.

When the salary assigned to a post is on a scale of increments, the mean salary is taken as the basis of calculation in all cases in fixing the amount of the outfit allowance.

Outfit Allowances are payable, under certain conditions, to officers transferred from posts abroad for employment in this country. The rate allowed is  $\frac{1}{4}$ th of the annual salary calculated in the manner shown in the previous paragraph. A similar concession is made to officers who have returned to this country on leave and who are subsequently retained for work in connection with the Public Service. [Added January, 1919.]

In the case of new appointments and of transfers and promotions the outfit allowance is not payable until shortly before departure on a direct journey to the new post.

## PASSAGE ALLOWANCES (*Consular*).

### Countries other than China, Japan, and Siam.—Ch. VI. § 7 of *General Consular Instructions*.

Travelling allowances, as specified below, are paid to salaried Consular officers not engaged in trade.

Consular officers engaged in trade are not entitled to travelling allowances. If a "trading officer" does not avail himself of the permission to trade, he must accompany his application for a travelling allowance with a declaration to that effect.

- (a.) On first appointment, or on transfer, the officer is paid the whole of his travelling expenses to his post, and of those of his family, the number being limited to five persons besides himself, of whom one may be a servant. In addition to this payment he is granted an allowance of 1*l.* a-night, for subsistence and hotel expenses, whilst on his journey, and 10*s.* a-night for each member of his family as above limited, except in passages by sea in which subsistence is included in the passage money, when he receives only a fixed wine allowance of 5*s.* a-day, or of 7*s.* 6*d.* if accompanied by his wife, provided wine is not included in the fares.

An officer transferred while on leave of absence is paid similar expenses from London, if he is in the United Kingdom, or from such place as he is in outside the United Kingdom, to his new post if, in the discretion of the Secretary of State, the circumstances justify such a course.

No charges in connection with luggage will be admitted, except in districts where no railways are available, but, in order to defray the genera

cost of removal, an allowance of one-half of the fare will be made for the officer himself and one-half\* in the case of his wife; one-quarter\* of the fare will also be allowed for each other member of his family within the limit of five.† This allowance will be calculated on the minimum first-class fare payable, whether on board ship or by train, or on the second-class fare in the case of a servant.

(Amendment of 1914.) In the case of journeys by land this allowance will be raised to a full minimum fare for the officer himself and also for his wife, and to one-half fare for each other member of his family within the limit of five.

- (b.) On returning home on leave of absence after a continuous residence of 30 months (or of 24 months in the case of posts pronounced unhealthy for purposes of leave)† he is paid one-half of his own travelling expenses, including the carriage of purely personal luggage, and one-third of those of his family, the same limitation being observed in regard to numbers as that given in the preceding paragraph;† and he is paid a similar proportion of the expenses of his return journey from England on the expiration of his leave. He is not paid subsistence money or wine allowance.

(Amendment of 1915. *Special arrangements in the case of Consular officers serving on the West Coast of Africa*.) Period of service necessary to qualify a Consular officer for repayment of half

\* Full fares and one-half fares respectively in journeys by land.—See Amendment following.

† On attaining the age of 16 years, sons of Consular officers cease to be considered as members of the Consul's family as regards the payment of travelling expenses (Circular, July 13, 1918).

‡ See list, page 145.

PASSAGE ALLOWANCES (*Consular*)—continued.

personal travelling expenses reduced from 24 months to 12 months, and proportion of travelling expenses of family repayable from public funds increased from one-third to one-half.

- (c.) In case of leave of absence on the ground of ill-health a proportion of the expenses of his journey, similar to that specified in the preceding paragraph, may be granted at the discretion of the Secretary of State. This grant is not made unless the application for leave of absence is supported by a trustworthy medical certificate.

The authorized grant may be made to wives returning with their families on account of ill-health, although unaccompanied by their husbands; but applications for payment must be supported by a medical certificate.

- (d.) In the case of a voyage by sea formal application must be made to the steamship company for any reduction of fare which may be available for official passengers.

- (e.) Consular officers employed on special duty under the authority of the Secretary of State will receive payment of their travelling expenses, which may include either the actual cost of their maintenance or an allowance of 1*l.* a-night, according to circumstances, as the Secretary of State may determine.

- (f.) If conveyed in a British man-of-war the Consular officer must pay at the time for his entertainment,

taking a receipt for the amount, and recoup himself subsequently.

- A Consul-General or Consul is entertained at the Captain's table at the rate of 1*l.* 1*s.* a-day for the first fourteen days, and of 1*5s.* subsequently. A Vice-Consul is entertained at the ward-room mess at the rate of 1*2s.* for the first fourteen days, and of 9*s.* subsequently.

No gratuities to the crews of His Majesty's ships or to any Government servants can be charged to public funds.

- (g.) A detailed statement of expenses on account of journeys, accompanied by the necessary vouchers stating separately the amounts paid on the officer's own account and on that of his family, must be forwarded in duplicate to the Secretary of State in an unnumbered despatch of the Consular series, on receipt of which the amount, if found correct, will be paid to his agent in England. If he has no agent he will receive authority to charge it in his account current.

Charges for luggage on journeys on leave and other miscellaneous expenditure which cannot be strictly apportioned between the officer and his family must be divided as follows:—one half for the officer and the other half for his family. Vice-Consuls forward their claims through their superintending Consuls.

- (h.) Government is not responsible for loss or damage of baggage or effects of Consular officers, even while travelling on duty.

*Consular Service in China, Japan, and Siam.—Ch. XXXVI of General Consular Instructions.*

1. An officer on a first appointment to China, Japan, Corea, or Siam shall be paid the whole of the expense of the passage for himself alone, and the third of the expense for his wife and family,\* the number being limited to five persons besides himself, of whom one may be a female servant. These payments will be made by the Foreign Office on production of the tickets for the passage.

2. On returning home on regulation leave of absence such officer shall be paid one-half of the expense of his own passage, and one-third for his family, the same limitation being observed in regard to numbers as in section 1. In this case the payments will be made in the country of the establishment to which he belongs, under the authority of His Majesty's Diplomatic Representative, who will take care to notify all particulars to the Foreign Office.

3. A similar indulgence shall be granted in cases of leave of absence obtained at any time on sick certificate.

4. This arrangement will also be applied to all cases of officers returning from England to the Far East.

5. A person removed from one post to another for the public convenience, and a person directed to proceed from one post to another on the public service, or for the purpose of supplying temporarily the place of an absent person, will be allowed such amount of expenses of going and returning as His Majesty's Diplomatic Representative on presentation of an account accompanied by vouchers, shall deem reasonable. The expense of the entertainment of Consular officers on board ships of war should, when practicable, be paid for at once by the officer to whom it is afforded, and the Diplomatic Representative will authorize the repayment of such expense from Consular funds in any case in which the officer so entertained has been received on board on public grounds.

\* This clause does not apply to Student Interpreters, marriage not being permitted during the period of studentship.

## PASSPORT REGULATIONS.

1. ## Regulations for Travellers to Germany.

1. *Passports and Visa Regulations.*—All persons crossing the German frontier must produce a valid national Passport establishing their identity.

Passports of foreign nationals must bear the *visa* of a competent German authority both for entering as well as for leaving Germany.

German nationals require a *visa* for leaving Germany only.

In the case of travellers living or permanently residing in Germany—no matter whether they are German nationals or not—the *visa* can be replaced by a permit ("Unkostenklicketsermerk") issued by the competent German Finanzamt.

The necessary *visas* will, in foreign countries, be granted by the German diplomatic and consular representatives, and in Germany by the competent German authorities (Polizeipräsidenten, Landratsämter, Bezirksämter, &c.).

2. *Regulations as to Import and Export of Currency.*—On Entering Germany: Travellers carrying more than 500 gold marks in German currency, or the equivalent in foreign currency, notes, cheques, bills, any negotiable instruments, or in coin, should apply to the German custom officials at the place of entry for a certificate stating the actual amount imported. This certificate serves as a permit on leaving Germany to travellers carrying sums up to the equivalent amount.

On Leaving Germany: No coin of whatever currency may be exported from Germany without a certificate of previous importation as above. *Paper* (banknotes, cheques, bills, or any other negotiable instruments) up to 500 gold marks or the equivalent in foreign currency can be freely exported. Sums exceeding 500 gold marks may only be exported on producing certificate of importation or an export licence issued by a German Finanzamt.

*Export of Currency from Occupied Territory in Germany.*—The export of Belgian, French or Luxembourg currency from the Occupied Territory is prohibited except by way of the frontiers abutting on France, Belgium, Luxembourg and the Saar respectively.

Travellers entering the Occupied Territory from France, Belgium, Luxembourg or the Saar district, and travelling in transit through Occupied Territory may carry with them up to 5,000 (five thousand) francs, subject to the production on demand of a certificate to be obtained from the customs officer to whom, on entry into Occupied Territory, they declare the amount of money in their possession.

3. *Regulations as to Import and Export of Goods.*—Under the existing regulations in Germany, the great majority of articles of any description are prohibited from being either imported or exported except upon the production of a German import or export licence. These regulations apply especially to travellers.

(a). On Entering Germany; Without a certificate of import from the competent German authorities travellers may take with them such articles only as are actually required for *personal use during the journey* or for the *execution of the traveller's profession during the journey*.

(b). On Leaving Germany: Travellers may take with them, without providing themselves with an export licence, the following articles:—

1. Articles which the traveller has taken with him on entering Germany; evidence that this was the case may, however, in certain circumstances be demanded, more especially in the case of articles of value such as jewellery. Travellers entering Germany are therefore advised to obtain a certificate of importation for all such articles from the German customs officials on entering Germany.

2. Further, only such articles as are required for the traveller's personal use during the journey or for the execution of his profession during the journey. In the case of new articles (purchased during his sojourn in Germany) this is conditional upon the traveller declaring same to the German customs officials without any attempt at evasion or concealment. In their own interest, therefore, travellers are earnestly advised to open and place before the customs officials *all* their luggage for examination.

3. In all other cases an export licence is required for prohibited articles. Import and export licences are (provided the articles bought do not in any way contravene the regulations as to the control of export trade) obtainable at the competent export trade departments (Ausßenhandelsstellen).

The above regulations are subject to alterations; travellers are, therefore, advised on entering

Germany to make enquiries with the customs officials at the place of entry or, before leaving Germany after a prolonged stay, at the Tourist's Offices as to any changes in the regulations.

*Special Regulations.—Occupied Territory.*

To visit any place within German Territory occupied by the British or Allied Armies a British subject requires only to have his Passport endorsed by the Passport Office permitting him to enter this area.

Passports of persons visiting Occupied Territory must be submitted for registration to the nearest representative of the Inter-Allied Rhineland Commission within 4 days of arrival. Omission to comply with this regulation may entail fine or even imprisonment.

Passports should again be submitted for registration after 3 months' residence in Occupied Territory. Passports of persons visiting occupied territory must be submitted for registration to the nearest representative of the Inter-Allied Rhineland Commission within four days of arrival. Omission to comply with this regulation may entail fine or even imprisonment.

For all territory in British Military Occupation other than Germany a Military Permit is required from the Military Permit Section, Passport Office, and must be stamped on the Passport before departure.

## VALIDITY OF PASSPORTS.

On and after December 1, 1924, Foreign Office Passports may be granted, in the first instance, valid for five years from the date of issue. They may be renewed for a further period not exceeding five years under the conditions stated below.

Foreign Office Passports are not renewable beyond ten years from the original date of issue. Thereafter, or if at any time the Passport contains no further space for *visas*, a new Passport must be taken out.

## RENEWAL OF PASSPORTS.

Provided that the total period of validity of ten years from the original date of issue is not exceeded, British Passports which become due for renewal after December 1, 1924, may be renewed from the date of expiration of validity for any number of years not exceeding five. The fee chargeable is 1s. for each year of renewal.

## AVAILABILITY OF PASSPORTS.

Foreign Office Passports are only available for the countries for which they have been issued or subsequently endorsed. Application may be made at the time of issue for the inclusion of any countries to which the holder is likely to travel during the period of validity of the Passport.

ENDORSEMENT AND *VISA* OF BRITISH PASSPORTS.

During the validity of a Passport, no further endorsement by the Passport Office is required for further journeys to the countries for which the Passport has already been made available by British Passport Authorities. The *visa* of the Consular Representative of the country to which the bearer is travelling is required for each journey, except where a continuing *visa* has been obtained.

For journeys to countries other than those already named on the Passport, the endorsement of the Passport Office should be obtained.

British subjects returning to the United Kingdom do not, under British Regulations, require any British *visa*, but where such *visa* is required in order to comply with the regulations of a Foreign Government, it can be given free of charge by any salaried British Consular Officer.

## PRECEDENCE OF DIPLOMATIC AGENTS.

## REGULATIONS annexed to the VIENNA CONGRESS TREATY, of June 9, 1815.

In order to prevent the inconveniences which have frequently occurred, and which might again arise, from claims of precedence among different Diplomatic Agents, the Plenipotentiaries of the Powers who signed the Treaty of Paris have agreed on the following Articles, and they think it their duty to invite the Plenipotentiaries of other Crowned Heads to adopt the same regulation:—

ARTICLE I.—Diplomatic Agents are divided into three classes:—That of Ambassadors, Legates, or Nuncios; that of Envoys, Ministers, or other persons accredited to Sovereigns; that of *Chargés d'Affaires* accredited to Ministers for Foreign Affairs.

II. Ambassadors, Legates, or Nuncios, only, have the representative character.

III. Diplomatic Agents on an extraordinary mission have not, on that account, any superiority of rank.

IV. Diplomatic Agents shall take precedence in their respective classes, according to the date of the official notification of their arrival. The present Regulation

shall not cause any innovation with regard to the Representatives of the Pope.

V. A uniform mode shall be determined in each State for the reception of Diplomatic Agents of each class.

VI. Relations of consanguinity, or of family alliance between Courts, confer no precedence to their Diplomatic Agents. The same rule also applies to political alliances.

VII. In Acts or Treaties between several Powers which grant alternate precedence, the order which is to be observed in the signatures shall be decided by lot between the Ministers.

The present Regulation is inserted in the Protocol of the Plenipotentiaries of the Eight Powers who signed the Treaty of Paris at their sitting of the 19th March, 1815.

Signed in the alphabetical order of the Courts by the Principal Plenipotentiaries of Austria, (Espagne) Spain, France, Great Britain, Portugal, Prussia, Russia, Sweden.

*Protocol of Conference of the Five Powers. Aix-la-Chapelle, November 21, 1818. (Ministers Resident.)*

In order to avoid inconvenient discussions which might in future arise upon a point of Diplomatic Etiquette, which appears not to have been anticipated in the Annex to the Treaty of Vienna, whereby questions of precedence were regulated, it is agreed between the

Five Courts, that Ministers Resident accredited to them shall form, with respect to their precedence, an intermediate class between Ministers of the Second Class and *Chargés d'Affaires*.

## PRECEDENCE between CONSULAR OFFICERS and NAVAL and MILITARY OFFICERS.

The comparative precedence of Consuls and of Officers in His Majesty's Naval and Military Services is as follows:—

Agents and Consuls-General or Commissioners and Consuls-General rank with, but after, Major-Generals, and with, but after, Rear-Admirals, except in the cases of the Agents and Consuls-General in Egypt and Zanzibar,\* who, occupying positions similar to those of Governors, take precedence of all Flag Officers. (See King's Regulations and Admiralty Instructions, Art. 98, Clause (a).)

Consuls-General rank with, but after, Brigadiers and Commodores.

Consuls rank with, but after, Colonels; and Captains

of the Royal Navy of three years standing, and before all other such Captains.

Vice-Consuls rank with, but after, Lieutenant-Commanders and Majors;

Consular Agents rank with, but after, Lieutenants, B.N., and Captains in the Army.

Consular Officers take precedence amongst their colleagues in their respective grades according to the dates of the issue of their exequaturs.

## PRECEDENCE between MEMBERS of the DIPLOMATIC SERVICE and NAVAL, MILITARY and AIR OFFICERS attached to EMBASSIES and MISSIONS Abroad.

- (i.) Naval, Military and Air Attachés at His Majesty's Embassies and Missions abroad, irrespective of their rank, have Place and Precedence next in succession after the Diplomatic Counsellor, but before the Commercial Counsellor, or, at posts where the Staff does not include a Diplomatic or a Commercial Counsellor, next in succession after Diplomatic 1st Secretaries, but before Commercial Secretaries, 1st Grade.
- (ii.) Assistant Naval, Military and Air Attachés at His Majesty's Embassies or Missions abroad, irrespective of their rank, have Place and Precedence next in succession after Diplomatic 2nd Secretaries, but before Commercial Secretaries, 2nd Grade, excepting at posts where such Assistant Attachés are the only resident Naval, Military or Air representatives, in

which case their Place and Precedence will be governed by the provisions of paragraph (i) above as though they held substantive appointments.

- (iii.) Excepting in the cases provided for above, Commercial Counsellors and 1st, 2nd and 3rd Grade Secretaries in His Majesty's Commercial Diplomatic Service will rank respectively with, but after, Diplomatic Counsellors and Diplomatic 1st, 2nd and 3rd Secretaries.

- (iv.) It is to be clearly noted, however, that, notwithstanding the above provisions, the charge of any of His Majesty's Embassies or Missions abroad will invariably devolve upon the Senior Diplomatic Member of the Staff, unless other arrangements are specially authorized by the Secretary of State.

\* No longer applicable to Egypt and Zanzibar.

## PROPERTY OF HIS MAJESTY'S GOVERNMENT.

### (Embassies and Legations.)

#### RULES AND REGULATIONS AS TO THE OCCUPATION AND MAINTENANCE OF EMBASSY AND LEGATION HOUSES, THE PROPERTY OF HIS MAJESTY'S GOVERNMENT, OR LEASED BY HIS MAJESTY'S OFFICE OF WORKS.

The following Rules and Regulations in regard to the occupation, use, and maintenance of lands, buildings, furniture, &c., held by H.M. Government in foreign countries for the use of the Diplomatic Service, are issued under the joint authority of the Secretary of State for Foreign Affairs and of the First Commissioner of H.M. Works and Public Buildings.

##### GENERAL.

###### *Definition of Word "Mission."*

1. For the purpose of these Rules the word "Mission" will be used indiscriminately, whatever may be the class of the Mission, and the title "Head of Mission" which is employed throughout in these Regulations may denote an Ambassador, Minister, or Chargé d'Affaires. A list of the establishments which come under these Regulations is given in Appendix (A), page 136.

###### *Responsibility of Chief of a Mission.*

2. The Head of a Mission for the time being is, unless otherwise specially arranged, to be deemed the officer in charge thereof. He will be responsible for such charge in the manner prescribed in these Rules, and, on entering into occupation, he will be required to sign an agreement in the form shown in Appendix (B), page 136.

###### *Inventories of Furniture, &c., to be kept.*

3. At each Mission are to be kept inventories of the furniture and other properties belonging to H.M. Government, and copies of all instructions and rules relating to the management of the same. Duplicate copies of such documents will be retained in the Office of Works.

###### *Survey of Buildings and Furniture to be made from time to time.—Damages, &c., to be made good.*

4. From time to time, and, if possible, on every change of occupation, the First Commissioner of Works will cause a survey of the buildings and

furniture to be made by a duly appointed officer of his Department. Such officer will take note of any deficiency, misuse, or waste of Government furniture or other property, in order that the cost of replacing any missing article, or of making good any damage or defect arising from neglect, or unfair or improper usage, may be recovered from the Head of Mission. (See also Rules 25 and 26, pages 134 and 135.)

###### *Survey on Change of Occupation.*

5. The survey on change of occupation will, whenever possible, be made as soon as the outgoing Head of Mission has removed his private property from the Mission. Until the survey has been made, the outgoing Head of Mission must retain in charge of the house some servant or other person, responsible to him, who may represent him when the survey is made. The incoming Head of Mission should also be either present or represented at the survey, and he or his representative should sign the inventories and take charge of the house as soon as the survey is completed. Heads of Missions should communicate directly with the Office of Works as to the details of these arrangements.

###### *Decision of Office of Works on all matters relating to Maintenance, &c., of Government Property. Appeal to Foreign Secretary. Treasury Decision, if appealed to, to be final.*

6. The First Commissioner of Works shall, after consultation with the Head of Mission when necessary, decide all matters relating to the maintenance and due preservation of the Government property before described, and to the expenditure of moneys thereon from the Vote administered by the First Commissioner. If, however, the Head of Mission should be dissatisfied with the decision of the First Commissioner, it shall be open for him to appeal therefrom to the Secretary of State for Foreign Affairs. Should the Secretary of State concur with the decision of the First Commissioner, such decision shall be treated as final and conclusive. In the event of the Secretary of State dissenting from the decision of the First

*(Embassies and Legations.)*

Commissioner, the matter in dispute shall be referred to the Lords Commissioners of the Treasury, whose decision thereon shall be recognised as final and conclusive by all parties concerned.

*Present permanent Official Residences deemed complete.—*  
*Minister held Responsible for any Alterations or Additions without previous sanction.*

7. The present permanent official residences shall be deemed complete and suitable in all respects for the reception of the Heads of Missions appointed to occupy them, and no alteration or addition of any kind whatsoever to buildings, fittings or furniture will be paid for by the Office of Works unless such alteration or addition shall have been previously approved by the First Commissioner. Should any alterations or additions be made without such approval, the Head of Mission making them will be responsible, not only for the expense of the alterations or additions, but also for any expense which may be thought necessary by the First Commissioner for restoring buildings, fittings, or furniture to their original state. The prior sanction of the First Commissioner of Works should be obtained before any instructions are given to local architects to prepare schemes and estimates other than those of a purely approximate character which involve no special fee or commission if the work is not proceeded with.

*Structural Repairs when required by urgent necessity.*

8. In cases where structural repairs have been ordered by the Head of Mission without the previous sanction of the First Commissioner, the onus of proving urgent necessity rests upon the Head of Mission (see also Rule 16, on this page).

*Requisitions for Erection, &c., of Buildings, or for Purchasing of Property, &c.*

9. All requisitions for the erection of buildings, or for works connected therewith, for purchases of property, and for purchases of furniture, are to be sent immediately the necessity arises to the Office of Works. Proposals involving large expenditure should be sent so as to reach that Department in London before the 1st September, so that, if approved by the First Commissioner, there may be time to submit them to the Treasury for consideration with the annual Estimates for the following year.

*Precautions to be taken against Fire.*

10. Heads of Missions are to use all reasonable precautions against fire, and when extinteurs, fire hydrants, or other appliances are supplied, they are to satisfy themselves that they are examined from time to time, and, if necessary, worked, in order to ascertain that they are in an efficient state.

*Responsibility of the Chargé d'Affaires in event of death of a Minister.*

11. In the event of the death of an Ambassador or Minister or other vacancy in the post, the Chargé d'Affaires will be responsible to H.M. Government for the proper custody of Government property. He

should at once report to the First Commissioner the arrangements which he makes for this purpose, and should apply for his sanction to any expenditure that it may be necessary to incur pending the appointment of the new Head of Mission.

In such circumstances the cost of heating, lighting and caretaking in the residential portion of the building will be defrayed by the Office of Works, but no liability will be accepted for any charge of this nature connected with the Chancery or offices. Expenditure necessary to keep the garden in order, such as the cost of labour, will also be defrayed by the Office of Works, but application for the supply of implements, such as lawn-mowers and hose, will not be entertained.

*Care of Residences in case of there being two.*

12. At Missions where two official residences exist, as at Rome, Tehran, and Peking, the care of the residence that may be unoccupied, as well as of the Government furniture that may be therein, will devolve upon the Head of Mission, but the caretaker's wages will be paid by the Office of Works.

*Holding of Auctions upon Government Premises*  
*Forbidden.*

13. The holding of auctions of private effects in or upon Government premises is strictly forbidden.

## **BUILDINGS AND GROUNDS.**

*Maintenance of Fabric of Buildings, &c.*

14. The fabric of all Government buildings, with the permanent fixtures attached thereto, the boundary walls, entrance gates and approaches, will be kept in an efficient state of repair by the Office of Works.

*External Painting and Internal Papering, &c.*

15. Periodical painting and colouring externally, and papering, painting, colouring, &c., internally, will be done by the Office of Works. External painting will, as a rule, not be executed more frequently than once in every three or four years; nor internal painting more frequently than once in every seven years. Painting at shorter intervals than these will not be paid for by the Office of Works unless specially authorised beforehand by the First Commissioner, who must be satisfied that the need for it has arisen only from fair wear and tear.

*Damage by Storm, Fire, &c.*

16. In case of damage by storm, fire, or other casualty, the expense of restoration will be borne by the Office of Works, provided the Head of Mission can show to the satisfaction of the First Commissioner of Works that the damage was in no way due to neglect of proper precautions. In such cases the Head of Mission may order urgent repairs to be executed at once; but where the damage is extensive, and the outlay required will be large, he is, if possible, to obtain an estimate of the cost of repairing the damage, and to submit it to the First Commissioner before ordering any but the most indispensable repairs.

(Embassies and Legations.)

*Renewal of Fittings and Fixtures, Petty Additions and Alterations and Ordinary Cleaning.*

17. The cost of renewing fittings and fixtures, worn out by fair wear and tear, will be borne by the Office of Works, as well as the cost of repairs. The Head of Mission must himself defray the cost of ordinary and periodical cleaning, including the sweeping of chimneys, the cleaning of kitchen flues and boilers, and of tanks and cisterns.

*Warming, Lighting, and Supply of Water.—Supply of Fuel, Electric Current, Gas and Water.*

18. As regards warming, lighting, and the supply of water, the Office of Works, under the foregoing Rule, will provide, maintain, and repair the necessary apparatus and fittings; but, except at Missions where such payments are specially provided for, the Head of Mission will be required to bear all charges for the actual supply of fuel, electric current, gas, and water.

*Maintenance of Gardens and Pleasure Grounds.*

19. The Head of the Mission will defray all expenditure necessary for the care and maintenance in good order of gardens and pleasure grounds, including the provision of tools, &c., except at Bangkok, Cairo Residency, Christiania, Constantinople, Paris, Peking, Rome and Posilipo, Tehran and Gulhek, and Tokyo, where special arrangements are in force. But even at these Missions no portion of the cost of maintaining private enclosures, kitchen gardens, or tennis lawns will be defrayed out of public funds.

19a. No trees except such as are of small size and value may be removed, nor may alterations be carried out in the grounds which are likely to increase the cost of maintenance, without the precedent sanction of the First Commissioner of Works.

*Disinfection of Premises.*

20. Whenever, in consequence of the occurrence of contagious or infectious disease in the household of a Head of Mission, disinfection has become necessary in order to protect the health of the inmates, the Head of Mission will be held responsible for providing that the premises are sufficiently disinfected, and for procuring from a medical officer a certificate that this has been done.

**FURNITURE.**

*In Embassy and Legation Houses.*

(Applicable to all Diplomatic Residences to which Government furniture is supplied.)

21. Furniture will be provided at the public expense for all Embassy and Legation houses. Heads of Missions will be required to use the Government furniture as part of the equipment of the post, or alternatively, they must be responsible for its care and storage. In the event of premises being rented together with furniture, the Head of Mission will be responsible for safeguarding the furniture, whether it is such as is ordinarily supplied or not.

Fire-screens, clocks, candlesticks, chimney ornaments and other decorative articles will not be

supplied. Muslin curtains are not ordinarily provided, but they may be supplied when deemed by the First Commissioner or his representative to be necessary for the protection of the silk or other draperies supplied by the Office of Works. Rugs, other than hearth rugs, are only supplied with a parquet floor or an entirely plain carpet.

Pianos, billiard tables, plate, linen, china and glass (other than bedroom toiletware) and articles of domestic equipment, e.g., cooking utensils, are not supplied. Pictures (other than portraits of Their Majesties) are not ordinarily supplied. In the event of any such articles being rented together with the residence, or otherwise provided by reason of exceptional circumstances, they will not be repaired at public expense.

*Movable Articles to be Stamped.*

22. All movable articles belonging to H.M. Government are to be stamped or otherwise marked with the Royal arms, or the Royal cypher, thus G.  R.

Articles supplied in the past will be found marked V  R or E  R.

*Renewal and Repair.—Periodical Cleaning.*

23. The Office of Works, subject to the provisions contained in the two following rules, will bear the cost of renewing and repairing the official furniture at Embassy and Legation houses, but the cost of ordinary and periodical cleaning, including the beating of carpets, the cleaning or washing of curtains, holland covers, &c., must be borne by the Head of Mission.

*Old Furniture Replaced by New.*

24. The sanction of the First Commissioner of Works must be obtained before old furniture is replaced by new, and such sanction will only be granted when a reasonable time has elapsed since the articles to be replaced were originally purchased. Old articles, carpets, curtains, &c., must be returned to the Office of Works, or will be sold locally as directed by the First Commissioner.

*Ministers Responsible for Preservation of Furniture and for Repairs of Defects caused by Improper Use.—Damage by Animals, Birds, &c., and by Pictures being on Walls.*

25. Heads of Missions will be held personally responsible for the due preservation of the official furniture, and for the immediate repair, at their personal cost, of defects arising from neglect, or unfair or improper use. It is to be distinctly understood that the Office of Works will refuse to defray the cost of renewing or repairing any article of furniture, carpets, curtains, &c., which may be destroyed or damaged by the keeping of animals, birds, &c., or through being stored, and that all such damage must be completely made good at the sole cost of the Head of Mission. It is also to be understood that pictures are not to be hung, nor brackets, &c., fixed on the walls covered with silk or similar material, and that where this rule has

*(Embassies and Legations.)*

been disregarded, any damage caused thereby must be made good by the Head of Mission at his own cost. The Head of Mission is also responsible for neglect of instructions or damage by his servants, subordinates or guests.

*Furniture, &c., not to be Removed without Written Sanction.*

26. Furniture or other Government property is not, without the written sanction of the Office of Works, to be removed from apartments furnished at the public expense. This prohibition applies equally to the removal of furniture from one Mission house to another. Should this rule be disregarded, and the articles become depreciated in value through being so transferred, or through being stored or otherwise neglected, the Head of Mission will be held personally responsible for the depreciation.

*State Room Furniture provided by the Minister.*

27. In cases where residential furniture is provided for the use of a member of the Diplomatic Service below the rank of Head of Mission, the same regulations will apply, except that the correspondence and accounts will be submitted through the Head of Mission, and not direct, and that payment of  $7\frac{1}{2}$  per cent. of the cost of the furniture supplied, exclusive of freight, will be made by the officer using such furniture.

**SERVICES OF SILVER PLATE.**

27A. Services of silver plate have been provided at the Missions shown in Appendix (C). The Office of Works will bear the cost of maintenance and repair of these services, but any losses or injuries due to negligence will have to be made good by the Head of Mission.

The plate must be checked with the inventory annually as soon as possible after the 1st January in each year, and a certificate as to its completeness and condition forwarded to the First Commissioner of Works

**ACCOUNTS.***Accounts to be Rendered Quarterly.—Currency and Rate of Exchange.*

8. As soon as possible after the 30th June, 30th September, 31st December, and 31st March in each year the Head of Mission should render to the Office of Works an account current (in a form which will be provided by that Department) of receipts and payments in the quarter, with supporting vouchers, i.e., receipted bills with estimates, where such have been obtained, and have not already been submitted. Care should be taken to include in such account all transactions dealing with receipts and payments which have taken place within the quarter. The amounts should be given in the account in currency, a

note of the sterling amount of any Bill of Exchange, and of the rate at which it was negotiated, being inserted in the "Schedule of Sums Received," under the heading "Detail" in the form in question. Should no cash transactions have taken place, an account should be rendered in which the fact should be stated.

*Vouchers.*

29. Where vouchers are made out in a language other than English or French, a brief translation or précis should accompany the voucher.

*Audit.—Amended Accounts.—Items disallowed.*

30. The Head of Mission will be informed immediately after the examination of an account either that its correctness is admitted, subject to any question by the Comptroller and Auditor-General, or that it has been amended. If amended, particulars of the alterations will be given, and the adjustment required by the Office of Works must be forthwith accepted by the Head of Mission and made in the next account rendered by him. Should the Head of Mission see cause to object to any alterations made by the Office of Works he should represent his views fully to the First Commissioner, who will carefully consider them. But pending his decision the Head of Mission must not take credit in his current accounts for any items of expenditure disallowed by the Office of Works.

*Drawing Bills.*

31. The Head of Mission is to defray charges incurred in accordance with these Regulations, and for this purpose may provide himself with funds by drawing a Bill on H.M. Paymaster-General at three days' sight. He should notify the fact to the Office of Works by post on the day on which the Bill is drawn, and should, with his letter, forward a certificate by a banker or merchant of the rate of exchange.

*Separate Accounts.*

32. Heads of Missions are requested to arrange that tradesmen should not include in bills payable by the Office of Works any items of expenditure payable by the Head of Mission. Separate accounts should be rendered for works ordered by, or on behalf of, the Office of Works, and for works ordered on behalf of the Head of Mission.

*Tradesmen's Accounts to be Rendered Quarterly.*

33. It is very desirable that tradesmen's accounts for work done on behalf of the Office of Works should be rendered regularly at the conclusion of each quarter, and Heads of Missions should use their influence to insure such regularity.

*Proposals for New Buildings, Purchase of Property, or other Services.*

13. All proposals for new buildings, purchases of property, lodging allowances in lieu of house accommodation, and purchases of furniture, must be sent, immediately the necessity arises, to the Assistant Surveyor at Shanghai, and in time to admit of proper reference to the First Commissioner of Works.

*Sudden Emergencies.*

14. The Assistant Surveyor will be authorized to act without the previous authority of the First Commissioner in case of sudden emergencies, but only on condition that officers in charge report to the Assistant Surveyor all the circumstances of the case immediately the necessity arises.

\* All Government Officers concerned are to send on the 1st January in each year to the Board's Architect at Shanghai a certificate that the articles of Government property in their charge have been checked and found correct, and that a note has been made on the inventory to that effect. A duplicate certificate to be sent to the Legation at Peking and Embassy at Tokio respectively. (Office of Works, Nov. 17, 1909.)

(China and Japan.)

*Treasury Sanction for large Expenditure.*

15. Proposals involving large expenditure are to be sent to the Assistant Surveyor at Shanghai by or before the month of October, in order that they may be submitted to the First Commissioner in time to obtain Treasury authority for including the cost thereof in the annual estimates for the following year.

*Non-purchase or Hire of Houses, &c., without sanction.*

16. No houses or premises are to be purchased or hired without the sanction of the First Commissioner or the Assistant Surveyor.

*Form of Application.*

17. Applications for purchasing or hiring premises are to state: the situation, extent, and value of the premises; reasons for having made the selection; intended appropriation; amount of rent, conditions of hiring, &c.; length of term proposed; state of repair; whether the proprietor will undertake to keep the premises in proper repair; probable cost of making any alterations which may be required, and whether the proprietor will pay for making the alterations; and no liability for expenditure is to be incurred without the previous approval of the Assistant Surveyor.

*Claims for Lodging Allowances.*

18. Claims for lodging or house allowances are to be accompanied by a full report from the officer in charge of the station, explaining the necessity for granting the allowances. It will then be the duty of the Assistant Surveyor to ascertain and certify that the claim is fair and reasonable, and that by granting the allowance the most economical course has been pursued.

*Assistant Surveyor's Responsibility.*

19. The Assistant Surveyor of Works is to be held responsible for the proper repair and maintenance of all the Government buildings and properties under his charge, and he is to take steps to prevent unauthorized works being executed without his sanction, reporting the circumstances to the First Commissioner of Works.

*Office of Works to pay for Offices.*

20. The Assistant Surveyor of Works will pay out of the amount allowed for incidental services the cost of urgent ordinary tenants' repairs for offices used for public business, if executed by order of the officer in charge of the office, provided the cause and nature of the repair is reported to and approved by the Assistant Surveyor when the claim is presented for payment.

*Office of Works to pay for all Landlord's Repairs.*

21. Government fittings and fixtures, whether in residences or offices requiring repair, arising from fair wear and tear, may be repaired or replaced by the officer in charge of a residence or office, provided he previously obtains the sanction of the Assistant Surveyor to effect such repairs. In very urgent cases of repairs, the officer in charge of a residence or office may effect the repairs of fittings and fixtures before receiving the Assistant Surveyor's sanction, provided the officer reports the circumstances of the case immediately the necessity arises. The Assistant Sur-

veyor is then to ascertain and certify to the First Commissioner of Works that the repairs were absolutely necessary, and that the prices charged for them are fair and reasonable.

*Residents to pay for ordinary Tenant's Repairs.*

22. Officers in charge of residences are to be responsible for keeping them in a tenantable condition, and to pay for the current household repairs ordinarily paid by a tenant, such as replacing broken glass, repairing locks and keys, repairing and hanging bells, replacing catches and hooks on Venetian shutters, windows, and doors; easing and rehanging shutters, windows, and doors, and repairing and resetting grates: provided always, that when the Assistant Surveyor shall, on periodical inspection, consider that such are required in consequence of ordinary wear and tear, he shall have authority to cause them to be executed at the public expense.

*Urgent Repairs.*

23. Officers in charge of properties or buildings which may be damaged by storms or other casualties, may order small or temporary urgent repairs to be executed at once; but where the damage is extensive, and the outlay required for permanent works will be large, the officer in charge is to obtain the advice and sanction of the Assistant Surveyor before ordering any permanent works to be executed.

24. In all cases of urgent repairs arising from storms or other casualties, officers in charge of properties of buildings so damaged are to report their reasons fully to the Assistant Surveyor for having expended money upon temporary repairs, or for proposing to incur expenditure upon permanent works.

*Payments for works done by Officers in charge.*

25. Payments for works previously authorized, and for urgent repairs sanctioned by the Assistant Surveyor, and executed by order of the officer in charge of any building, are to be made from the Legation or Consular chest, and the amounts so paid will be refunded by the Assistant Surveyor upon receiving duly signed vouchers, in duplicate, made out on the proper official form.

(Proper forms for the vouchers will be supplied upon application to the Assistant Surveyor of Works at Shanghai.)

26. Vouchers for repayment should be despatched in time to reach the Office of Works at Shanghai at such date before the end of each quarter as will admit of the amount being refunded at once. At stations where it is impossible to supply vouchers to and receive payment from the Office of works before the close of the quarter in which the repairs or works are executed, payment for such repairs or works should be deferred until the subsequent quarter, in order that no entries may appear in the Consular accounts for advances from the Consular chest on account of the Office of Works.

27. All moneys paid by officers in charge of properties or buildings in any other currency than dollars must be entered in the vouchers in dollars.

*Cooking-stoves and cooking ranges.*

28. Fixed ranges, where not already provided, will gradually be installed by the Office of Works, but the

(China and Japan.)

officer in charge will be responsible for repairs except those due to fair wear and tear. Movable stoves and other cooking utensils will not be supplied by H.M. Government.

*Supply of Books.*

29. All books, legal and others, are to be obtained as heretofore on requisition from the Stationery Office, and they are to be stamped with the office, seal and the name of the office to which they belong is to be marked on the title-page.

*Supply of Furniture.*

30. Articles of furniture of a plain and durable description will be furnished at the public expense to the following rooms, viz.:—the Chancery offices at Peking and Yedo (Tokio), the Judicial and Consular Offices in China and Japan; Court-room and jail fittings, and partial furniture for the Students' quarters only at Peking and Yedo (Tokio).

31. The business rooms of the Ambassador, Ministers, Judges, and Consuls are to be supplied with carpets or matting.

32. The offices of the Supreme Court, Consular and other offices used for public business are to be supplied with chairs, tables, desks, presses for books and stationery, and fenders and fire-irons, all of good and durable quality.

33. Any furniture or other articles desired by any officer beyond the regulated provision are to be provided, and must be removed by the officers at their own expense.

34. Before additional furniture is purchased, or old articles replaced by new ones at the public expense, it must be shown that additional furniture is absolutely necessary, and that a reasonable time has elapsed since the articles to be replaced were originally supplied.

35. In order to guard against the misuse or waste of furniture or other office movable property, officers in charge of offices will be held responsible for their due preservation and for the immediate repair of defects arising from accidents or unfair use, the cost of which is not to be charged to the Office of Works.

36. All movable articles belonging to H.M. Government are to be marked with the Royal Cypher and Broad Arrow, thus, G. † R. The brand will be supplied by the Office of Works.

*Watchmen.*

37. Watchmen paid by the Government are to be employed solely for the protection of the public offices and grounds and not for the private residences of officers.

*Boats.*

38. The cost of renewing or repairing boats, boat furniture, boatmen's uniform, flags, running rigging, sails, awnings, &c., is not to be charged to the Office of Works.

39. New boats are to be of plain construction (substantial gigs), built of teak or other durable wood, copper riveted, about 26 feet in length, 5 feet 6 inches in the beam, 2 feet 2 inches in depth, square sterned, and fitted for four oars.

40. Applications for new boats are to be sent to H.M. Ambassador or Minister, accompanied with a report of the age and service of any boat which may be worn out, or of the reason for applying for an additional boat.

*Flags.*

41.\*

42. The cost of running rigging and repairs to flagstuffs is to be charged to the Office of Works.

*Precautions against Fire.*

43. Officers in charge are to use all reasonable precaution to protect Government property from fire.

44. Each public building is to be provided with one "extincteur" and at least twelve fire-buckets, which are to be kept in the verandahs, lobbies, or other equally convenient place, filled with water and ready for immediate use.

45. All fireplaces are to be provided with cinder-boxes or trays to fit, and strong, close-mesh wire guards; no live cinders are to be carried across the rooms, nor are the fires in the grates to be raked out; but when done with each fire is to be protected with its wire guard.

46. The foregoing articles will be supplied on requisition by the Office of Works, and the officer in charge of each building will be held responsible for their being kept at all times in working order; and where a fire-engine is stationed the officer in charge is to see that it is always in working order.

*Report upon any Fires which may have broken out.*

47. In the event of a fire breaking out in any of the Government buildings, the officer in charge is immediately to assemble a Court of Inquiry to ascertain the origin of the fire, and to inquire into the working condition of the foregoing appliances at the time of the fire, and the result of their use. He is then to draw up a Report of all the circumstances and send copies of his report to H.M. Secretary of State for Foreign Affairs and the First Commissioner of Works and Public Buildings.

48. The Assistant Surveyor of Works (if within easy reach) is, by virtue of his office, to be a member of the Board of Inquiry.

\* This Regulation was cancelled in October, 1904, when a new arrangement was made under which Consuls are to apply to the Consul-General at Shanghai for the flags required by them. The flags authorized to be issued are

## REGULATIONS FOR THE MAINTENANCE OF CONSULAR HOUSES.

### Chapter V, § 27 of General Consular Instructions.

In all cases (except in China and Japan), where the Consular Houses are the property of, or are hired by H.M. Government, the occupying officer shall, at his own expense, execute all internal repairs to the residential portion of the building.†

In such cases the officer will furnish, at the beginning of September in each year, a statement of the repairs and redecorations which he has had executed during the previous twelve months and of their cost; together with a certificate from a competent person, whose qualifications must be described, to the effect that the house is in good repair and fitted for immediate occupation.

On removal from the post, the officer will make satisfactory arrangements for the care of the house pending the arrival of his successor. The cost of caretaking

will be borne by the substantive officer, or, so long as the post is actually vacant, by the Office of Works.

In those cases where the furniture has been provided by H.M. Government, the occupying officer will, at his own expense, make good any loss or damage arising from neglect or carelessness, and on removal will hand over the furniture in good condition to his successor. The latter will check the articles by an inventory and report any case of loss, which will be made good at the expense of the retiring officer.

The Office of Works will execute structural and external repairs, including external painting, to the residential portion of the building; and the whole of the repairs to the portion used solely for official purposes.

† This regulation was amended as from April 1, 1923. From that date the liability for internal repairs has been undertaken by H. M. Office of Works, contributions towards the cost being made by the occupying officer in accordance with the following scale:—
